

# Cambridge English for Schools

Developing English skills for the future

## Background

We have sophisticated systems to make sure that every exam is:

- at the right level
- accurate and fair
- suitable for people from different countries and cultures.

Cambridge English Language Assessment is **part of the University of Cambridge**.

- We are a not-for-profit organisation with over 100 years of experience and expertise in English language assessment.
- We have a world-class research programme and our goals are educational. We are a global leader in developments in language assessment.
- We are world experts in English language learning and teaching.

With over 20,000 organisations recognising our exams, a Cambridge English certificate opens up a whole world of work and study opportunities for students. Our exams are taken by over 5.5 million people every year.

## The Cambridge English advantage

We offer a range of tests specially designed to meet the needs of school children:

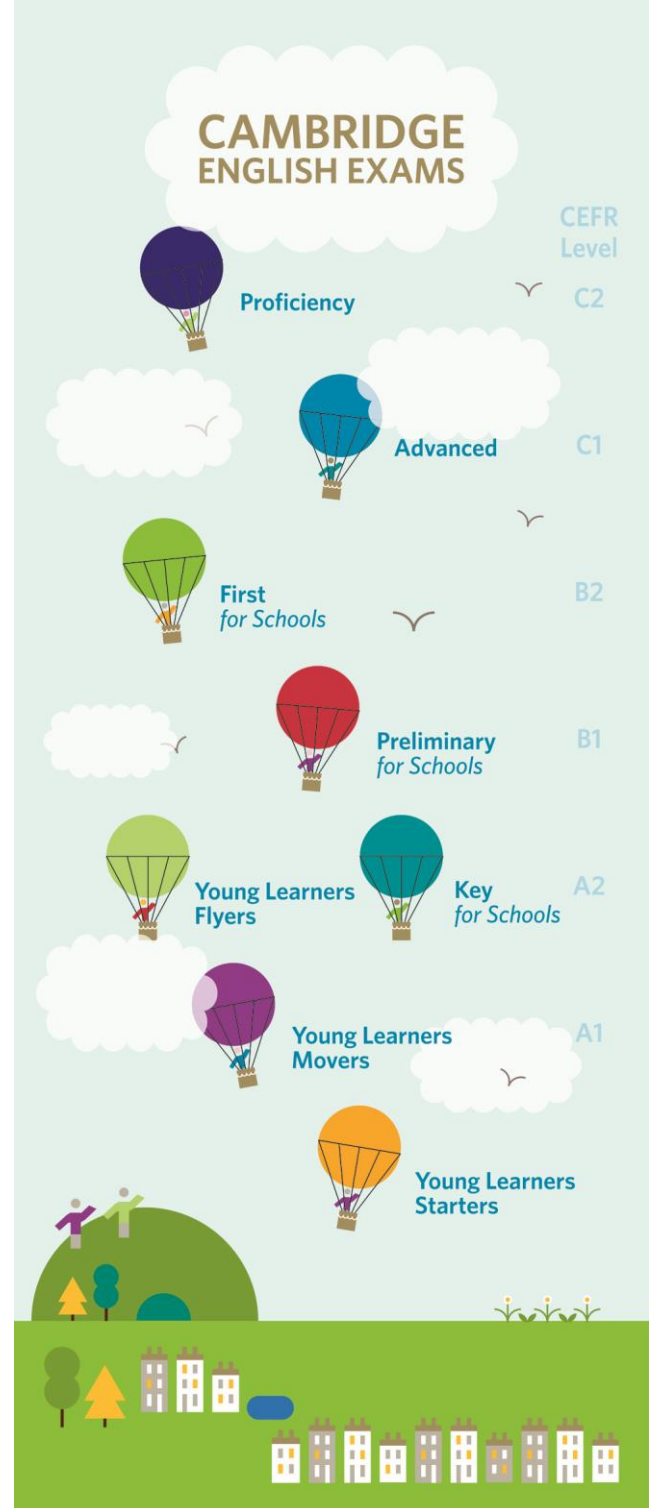

Young Learners English Tests (YLE)

Key English Test (KET) for Schools

Preliminary English Test (PET) for Schools

First Certificate in English (FCE)

Cambridge English: Advanced (CAE)

- Classes I to V
- Classes VI to VII
- Classes VII to IX
- Classes IX and above
- Classes X and above

## Benefits

The main benefits of offering Cambridge English qualifications to your students are:

### *For the students*

- Builds confidence in using English
- In preparing for the test, the candidates develop real-life language skills
- Developing the four language skills including Listening and Speaking skills
- Exposure to International English and testing methods.
- Every YLE student receives a Cambridge English certificate.
- Certificates recognized by Employers and Universities worldwide.
- Exams administered within the school premises

### *For the parents*

- Independent and international assessment of the child's language skills
- Confidence that their children are being taught English to international standards leading to international benchmarking.

### *For the faculty*

- Continuous professional development in current international trends in communicative language training skills
- Training in classroom methodology
- Participation certificates offered to teachers
