About Us

Who Are We?

LCCI Global Qualifications Overview

LCCI Global Qualifications (LCCI GQ) is a leading organization specializing in soft skills and management training, which has been validated by the Scottish Qualifications Authority (SQA). Our network spans Nepal and abroad, delivering high-quality, SQA-approved programs.

Early Genius Initiative

Early Genius, a premier initiative of LCCI GQ, focuses on innovative early childhood education. It combines traditional and contemporary teaching methods to nurture young minds and foster creativity.

Collaboration with Oxford

Early Genius collaborates with Oxford's renowned educational expertise, leveraging world-class resources to ensure academic excellence and holistic development for young learners.

Our Vision, Mission, and Values

Vision

To nurture every child's potential

01

Mission

Innovating methodologies to transform children into future leaders

02

Values

- Innovation
- Excellence
- Integrity
- Collaboration

03

02

Early Genius Highlights

Holistic Curriculum

Cognitive Development

Our curriculum emphasizes cognitive growth through interactive and engaging activities designed to enhance problem-solving and critical thinking skills.

Physical Development

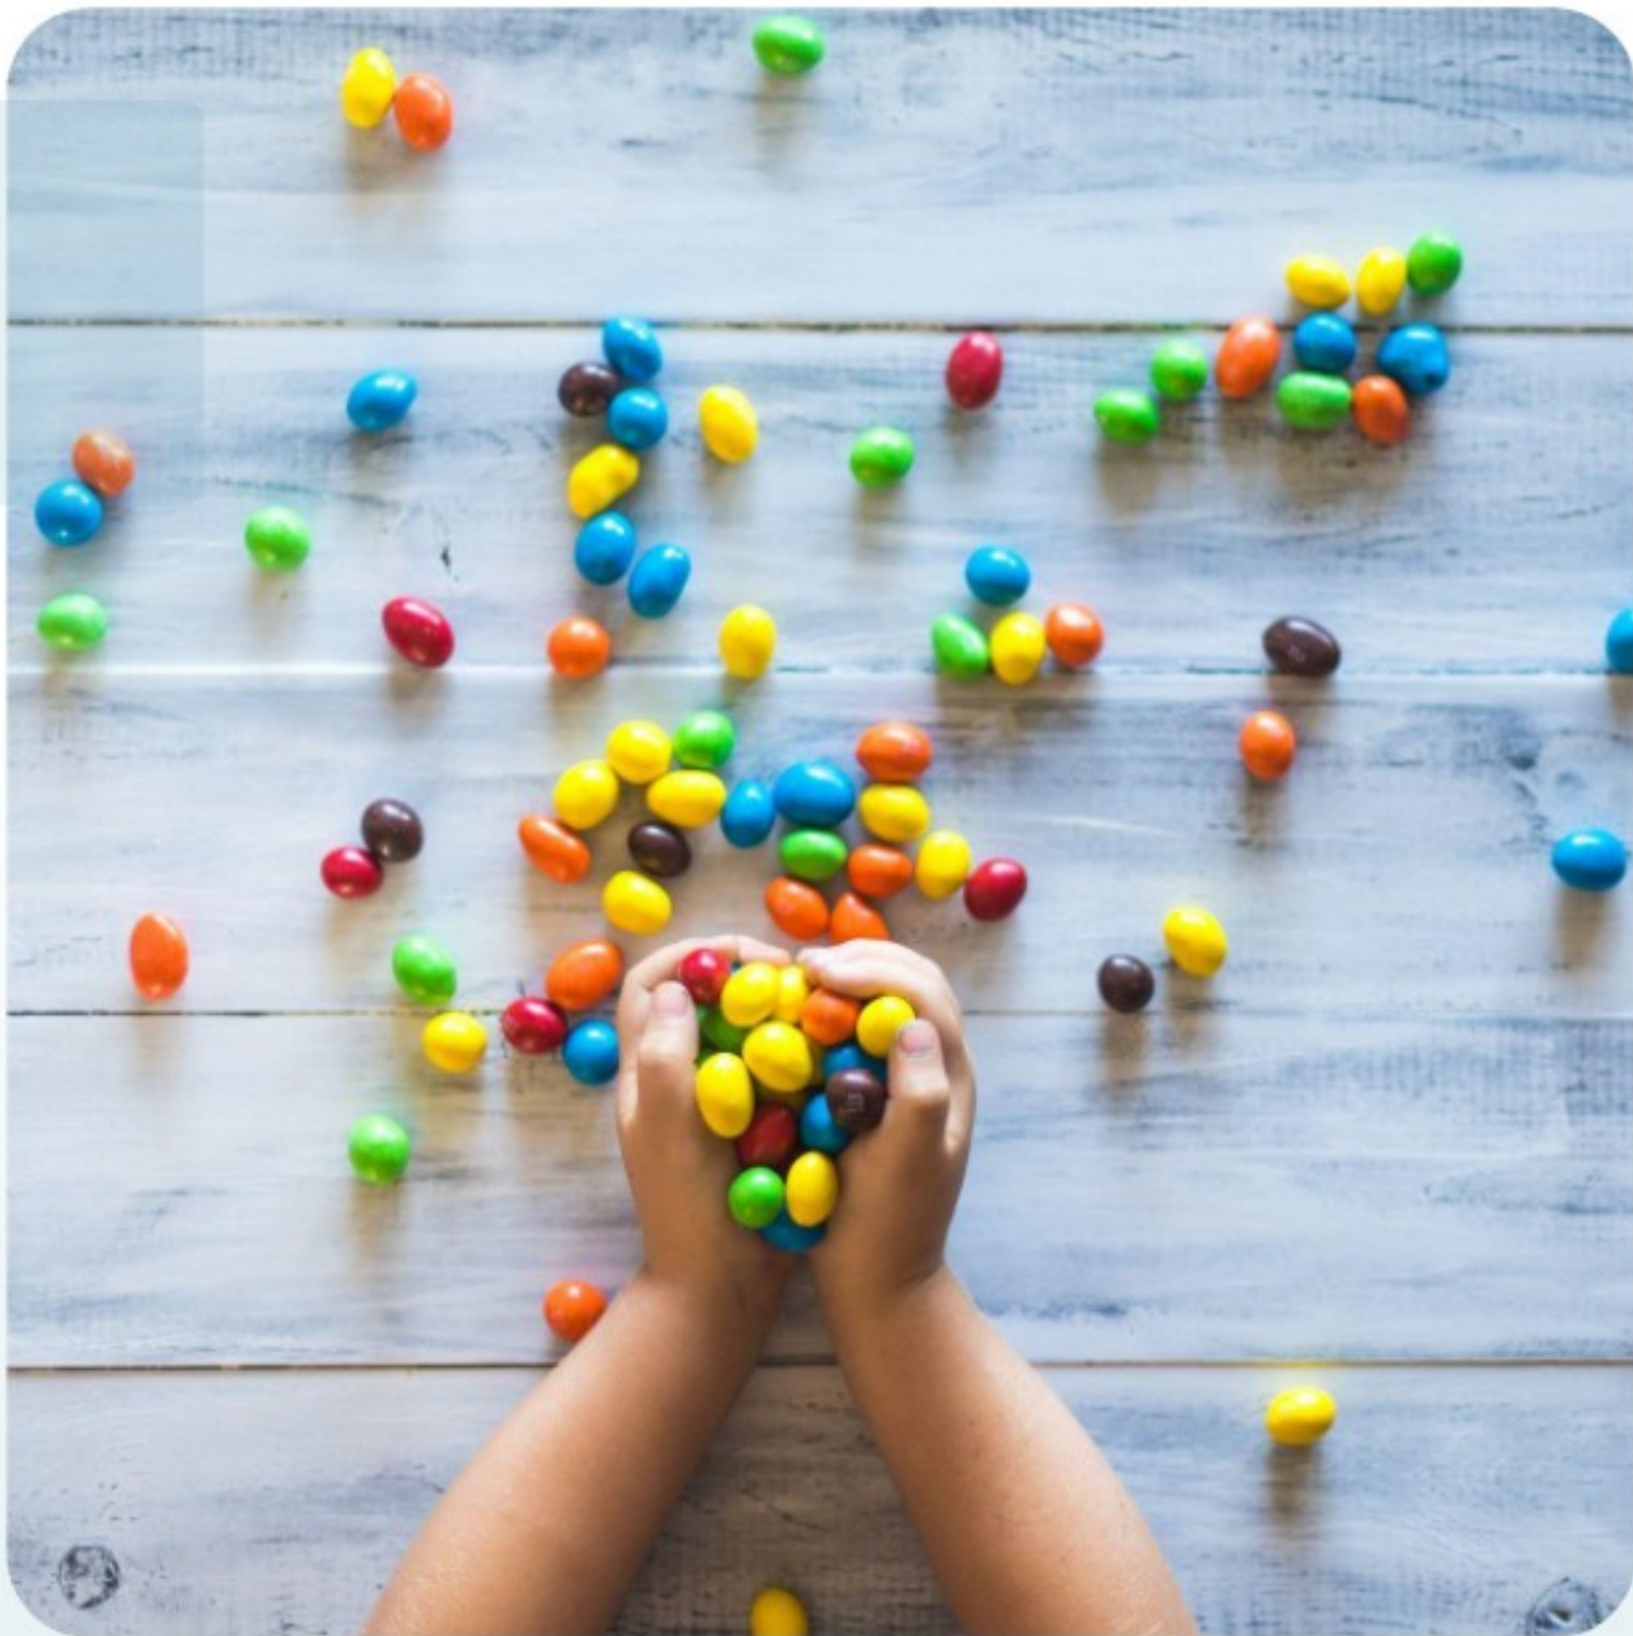

Physical development is integrated into our curriculum through activities that promote motor skills, coordination, and overall physical well-being.

Social and Emotional Growth

We focus on fostering social and emotional development by encouraging collaboration, empathy, and self-awareness among young learners.

Association with Oxford Advantage

● World-Class Educational Resources

Oxford Advantage provides access to world-class educational resources, including print and digital materials, ensuring a comprehensive learning experience.

● Academic Excellence

Our partnership with Oxford Advantage ensures academic excellence by combining pedagogy and technology to create a balanced and effective learning environment.

● Innovative Educational Tools

We integrate innovative tools like Augmented Reality (AR) and 3D experiences to make learning interactive and engaging for young minds.

03

Program Overview

Student Resources

01

Thematic Books and Workbooks

Students receive thematic books and workbooks from Nursery to UKG, each with defined learning outcomes to ensure structured and effective learning.

02

AR-Enabled Tools and Kits

Our AR-enabled tools and kits, including art & craft kits and student kits, provide an interactive and hands-on learning experience.

03

Life Skills and Creativity Activities

Activities designed to enhance life skills, problem-solving, and creativity are integrated into the curriculum, ensuring holistic development.

Teacher Resources

01

Lesson Plans and Activity Resources

Teachers are provided with detailed lesson plans and activity resources, ensuring they are well-equipped to deliver high-quality education.

02

AR and 3D Experiences

Augmented Reality and 3D experiences are incorporated into teaching materials, making lessons more engaging and interactive for students.

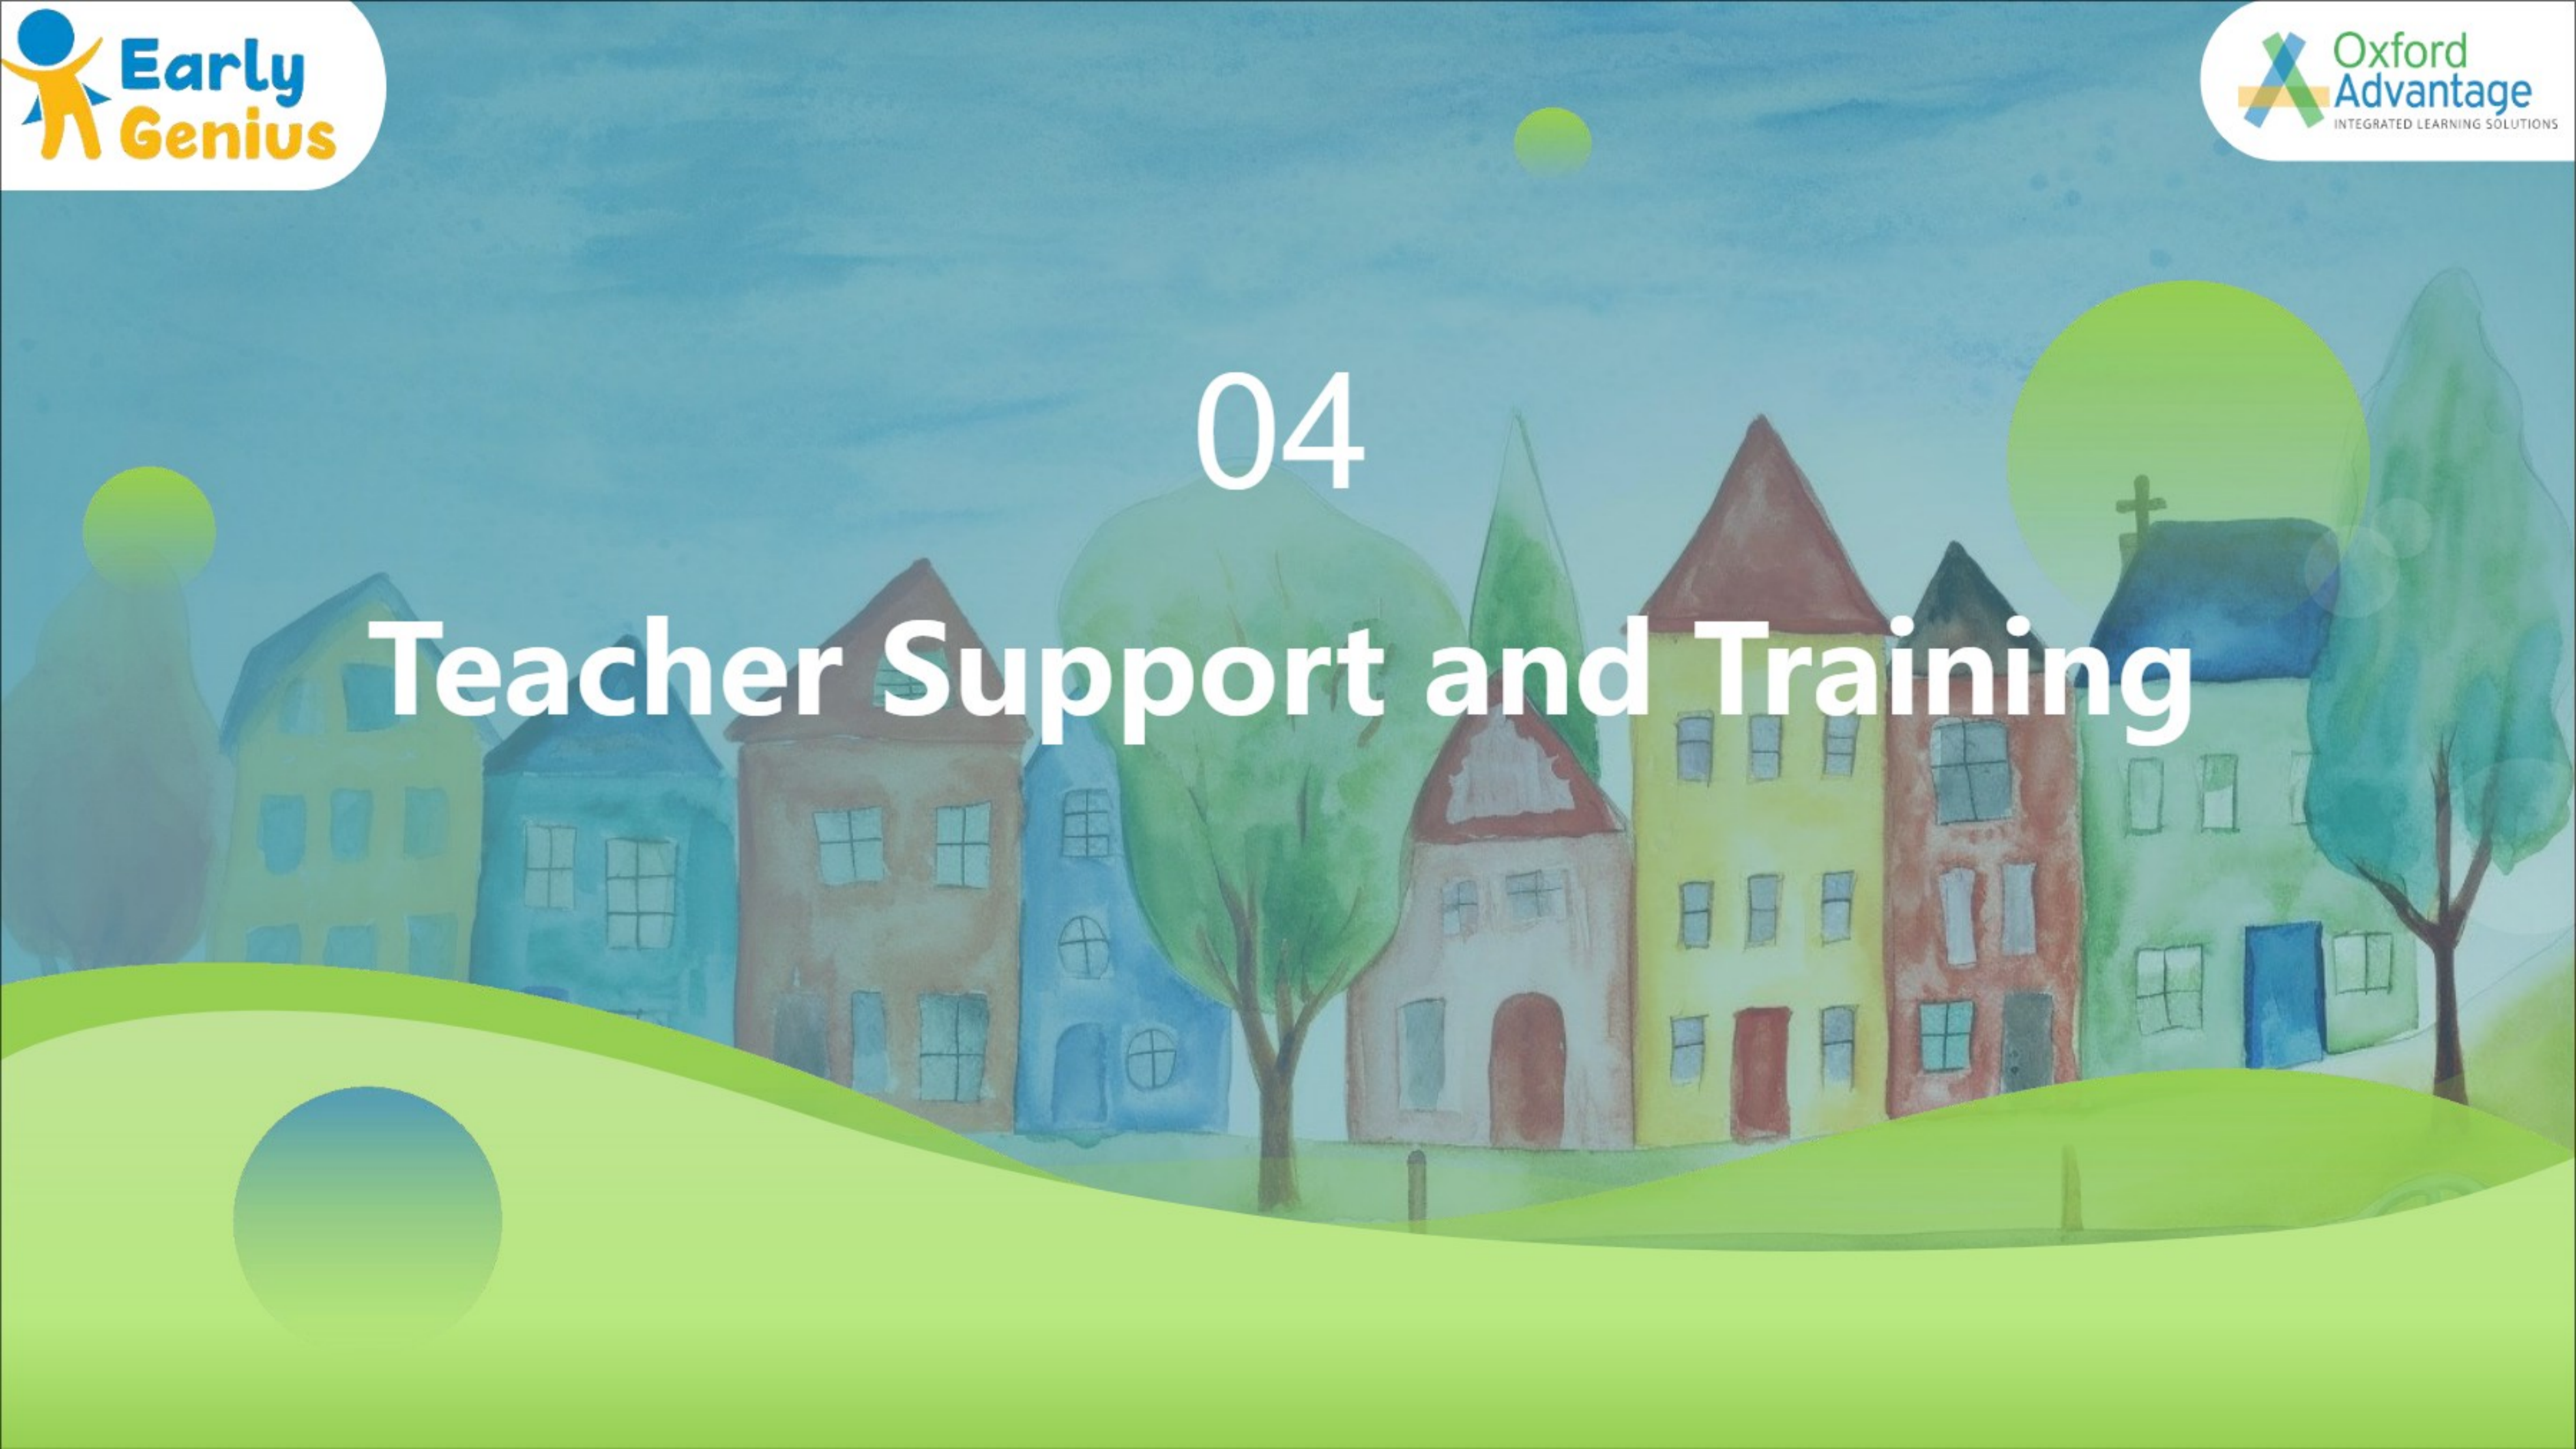

03

Online Resource Hub

Educators have access to an online resource hub for ongoing support, updates, and professional development, ensuring continuous improvement.

04

Teacher Support and Training

Continuous Professional Development

01

Onboarding Training

Onboarding training familiarizes educators with the program and its components, ensuring a smooth transition into the Early Genius curriculum

03

Workshops and Support Visits

Expert-led workshops and support visits address queries and enhance teaching strategies, ensuring educators are well-prepared to deliver the curriculum.

Need Analysis and Customization

We conduct need analysis to customize training programs, ensuring they meet the specific requirements of educators and institutions.

02

05

Why Partner with Early Genius?

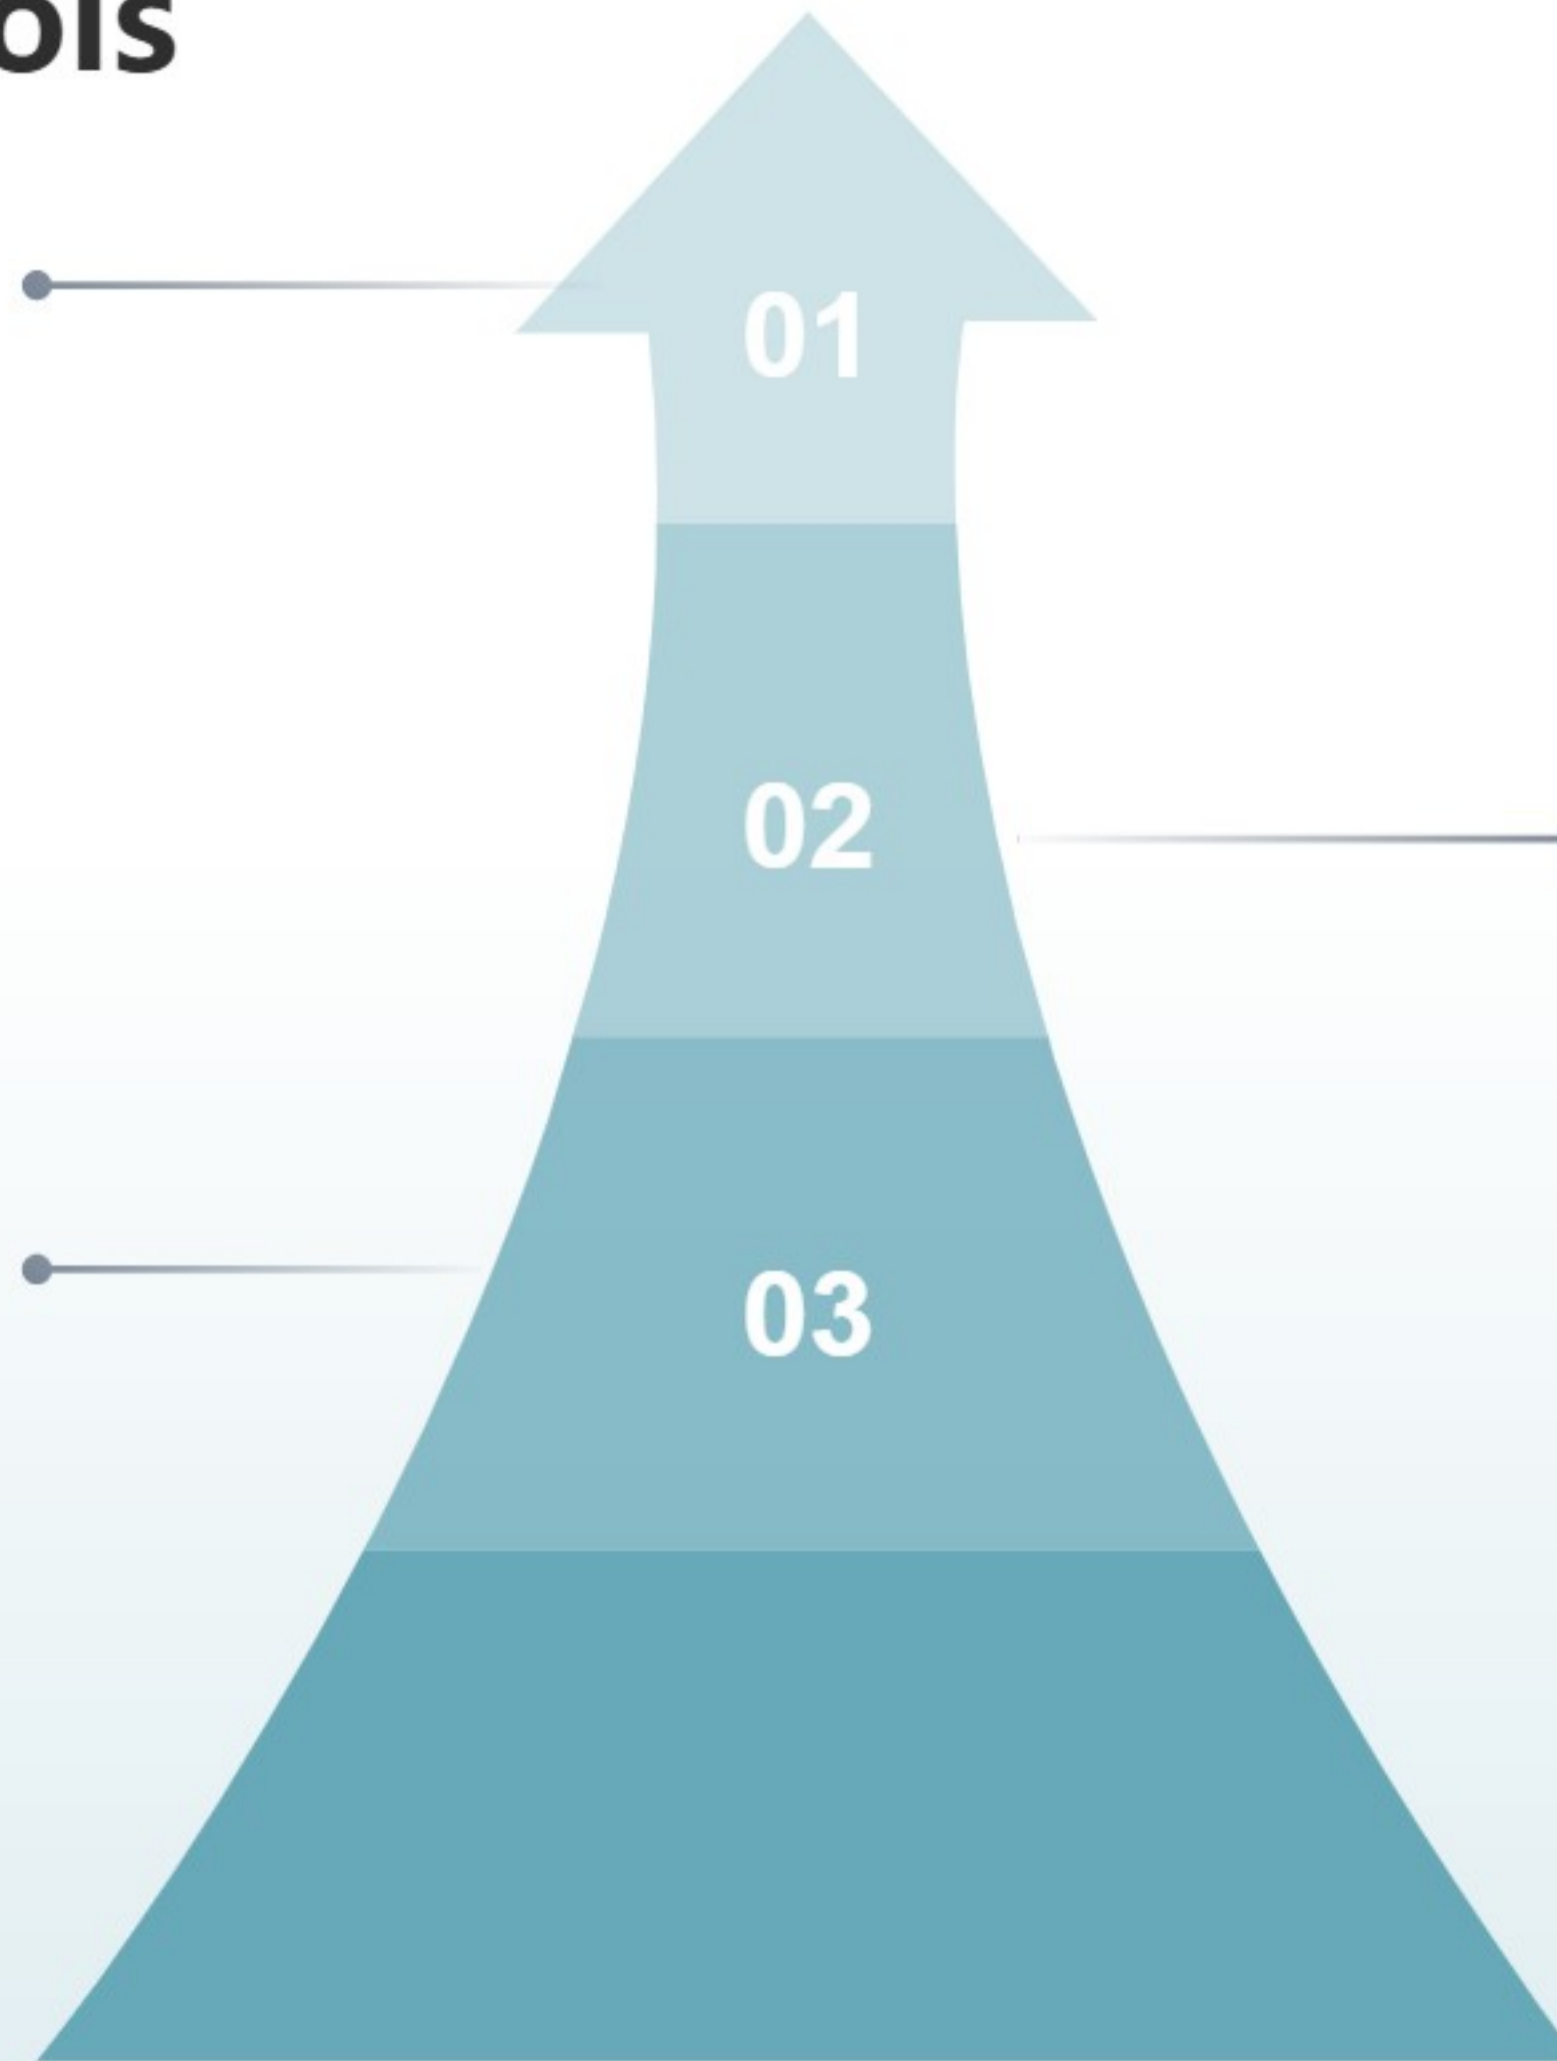

Benefits for Schools

World-Class Curriculum

Partnering with Early Genius provides schools with access to a world-class curriculum integrated with advanced teaching tools, ensuring academic excellence.

Structured Learning Pathway

Our structured learning pathway fosters creativity and excellence in early childhood education, ensuring students are well-prepared for future academic challenges.

Professional Development for Educators

Continuous professional development opportunities ensure that educators are well-equipped to deliver high-quality education and adapt to new teaching methodologies.

Collaborative Network

01

Community of Learners

Early Genius prioritizes building a community of learners, fostering collaboration among students, teachers, and parents to create a supportive learning environment.

02

Innovation and Growth

Our collaborative network of educators and institutions is dedicated to innovation and growth, ensuring continuous improvement in early childhood education.

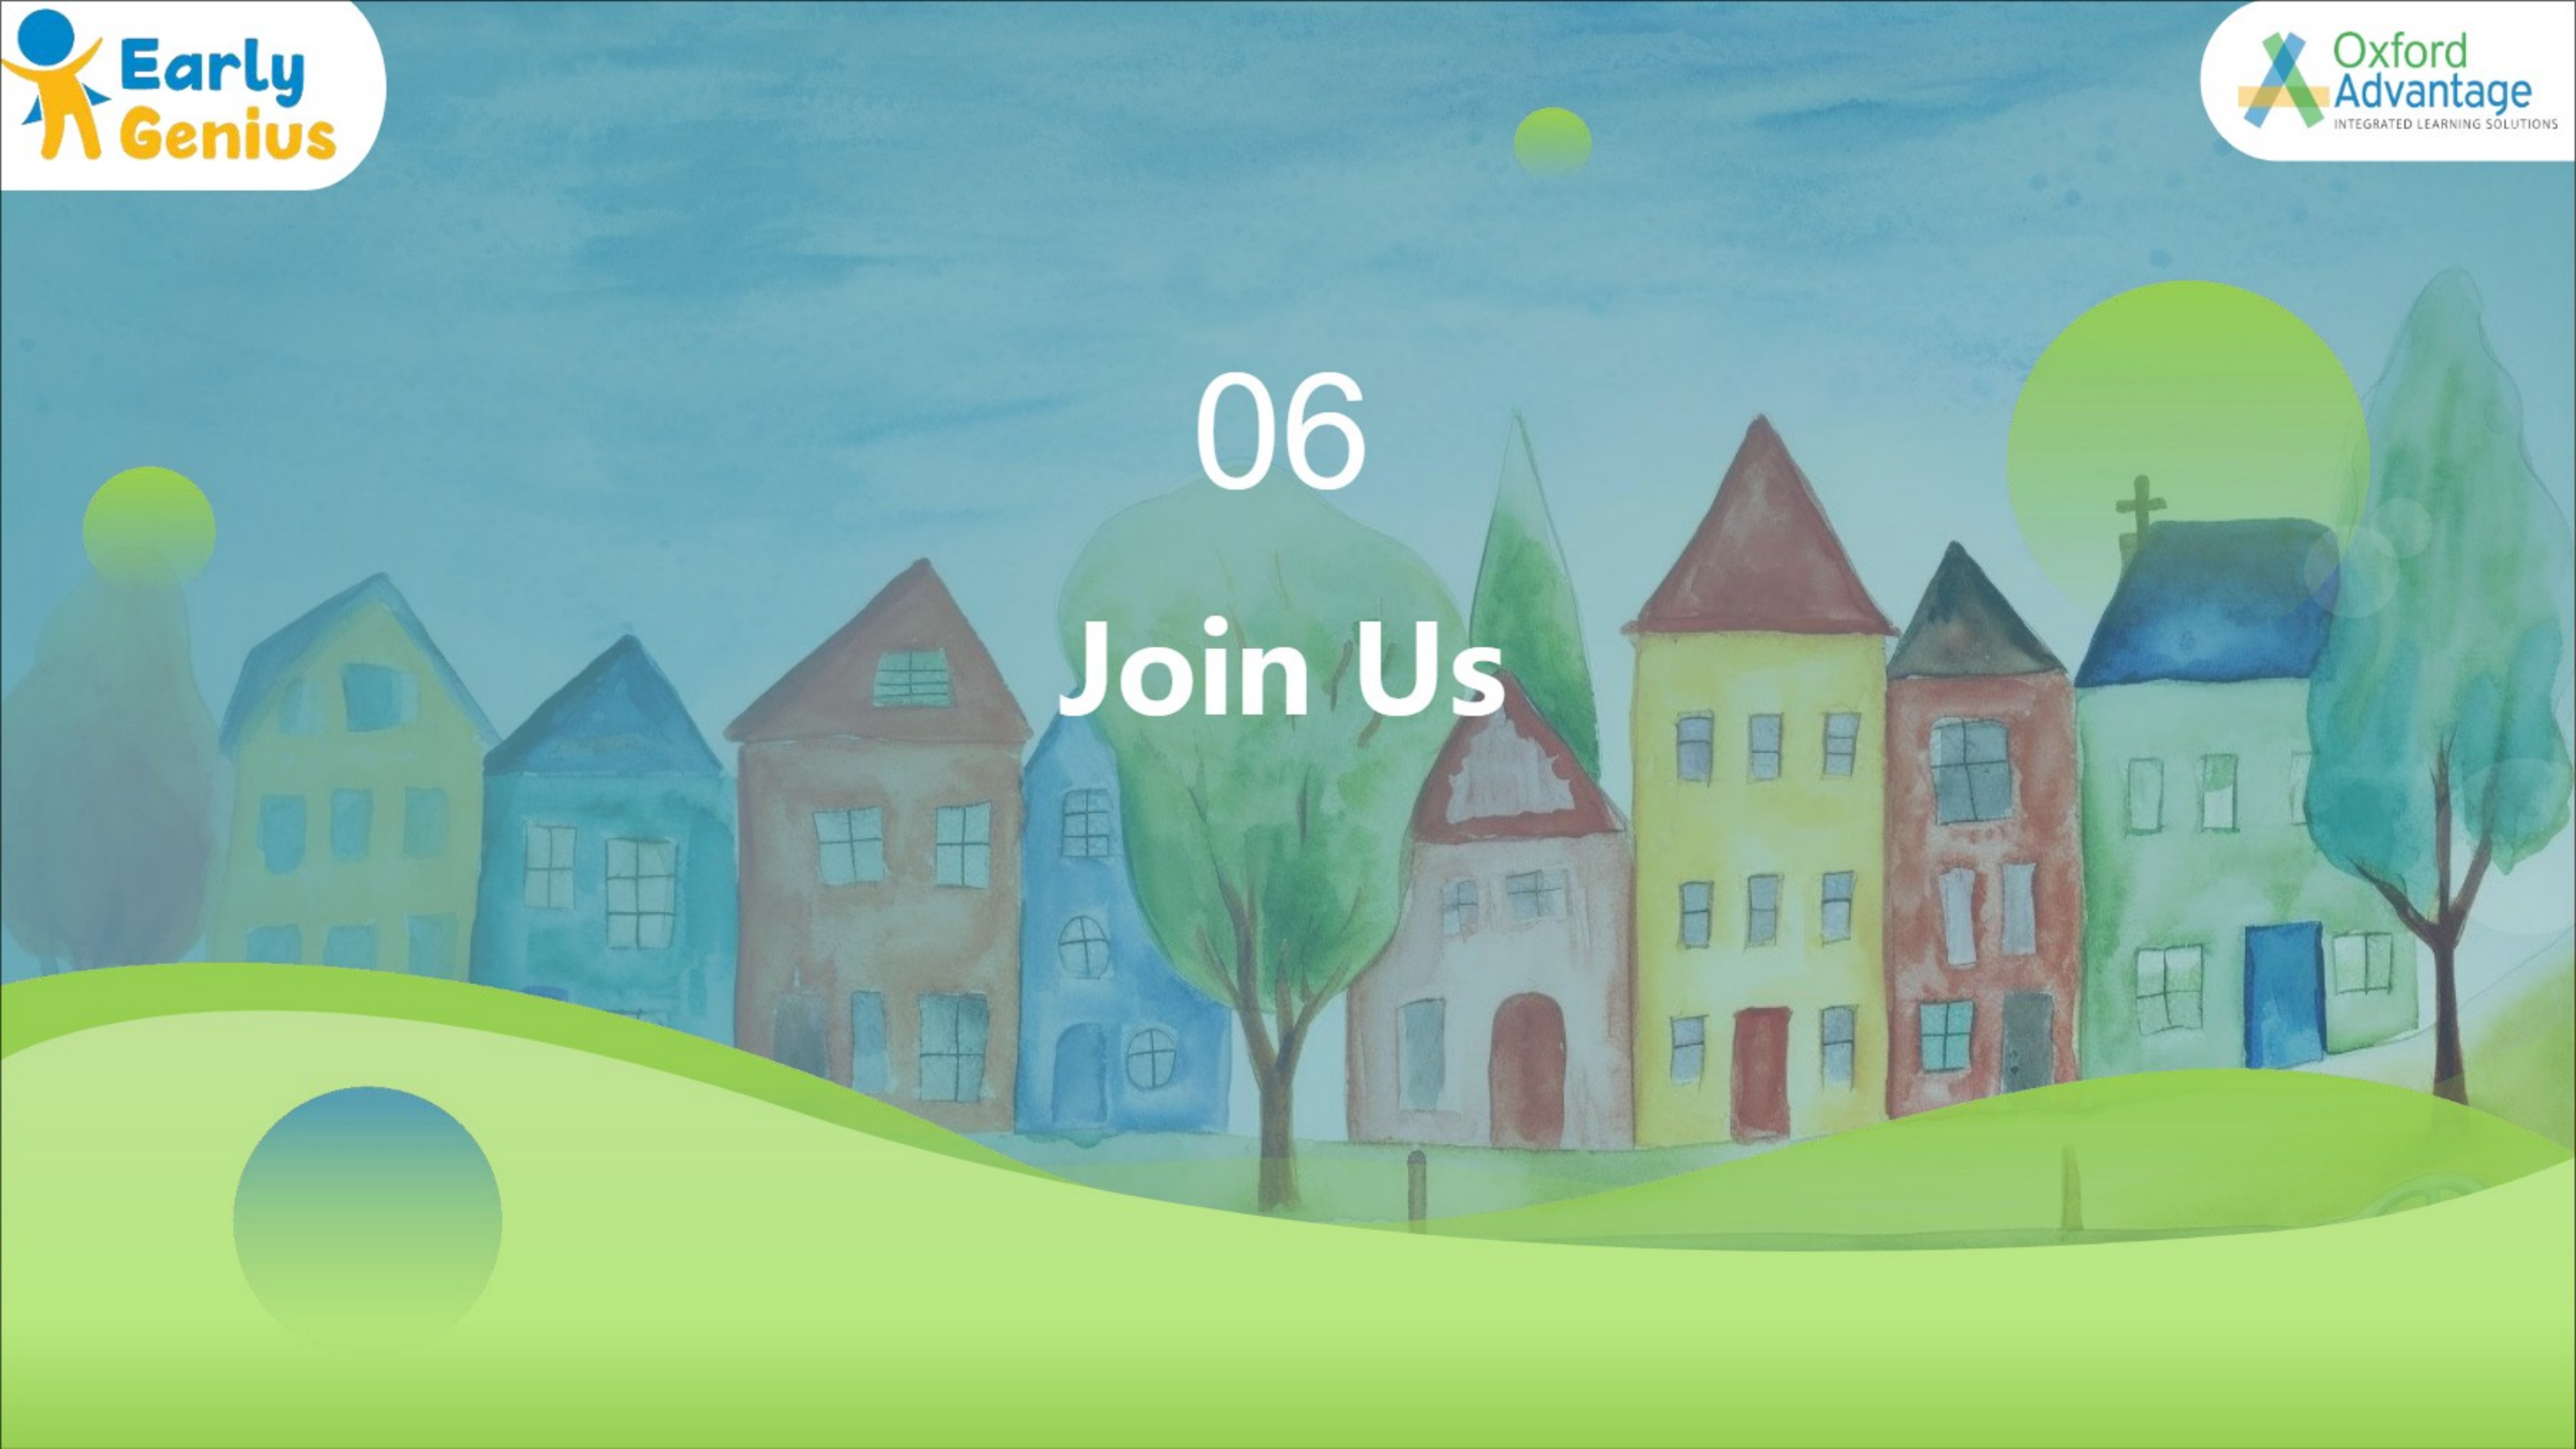

03

Holistic Development

Partnering with Early Genius means prioritizing the holistic development of every learner, ensuring they thrive academically, socially, and emotionally.

06

Join Us

Join the Movement

1

Revolutionizing Early Education

Join us in revolutionizing early childhood education by adopting innovative methodologies and world-class resources to inspire young learners.

2

Inspiring Young Learners

Together, we can inspire young learners to reach their full potential, fostering a love for learning and a foundation for lifelong success.

3

Foundation for Lifelong Success

Early Genius is committed to creating a strong foundation for lifelong success, ensuring every child is equipped with the skills needed to thrive in the future.

Thank you
